

MEETING NOTES

Team Meeting

Date: Monday, March 18th, 2024, at 1:00 PM

- Meeting began at 1:05 PM by Kevinh
- Meeting concluded at 1:14 PM by all

Purpose: To update each other on progress made moving forward from the SRS document.

Attendance: Kevinh Nguyen, Rajkunwar Kaura, Riley England, Kemar Wilson. Abdulahi Mohamed and Changwen Gong were unable to attend.

Minutes:

We went over updates from each individual member:

- Kevinh: Submitted the Software Requirement Spec document via github link last night.
Also implemented out comments prior to submission.
- Raj: Went over SRS and discussed use-case diagrams included in the SRS.
- Kemar: Connecting with Abdul this week, most of the coding (basic functionality) is finished, some logics need a little work but progress is being made.
- Riley: Finished logo for us, will upload to github and send in our group chat

Discussed option of converting project to one containing a GUI rather than simply command-line interface if we finish early.

Assigned Tasks:

- Kevinh Nguyen: review and familiarize self with C and C++
- Changwen Gong: Review and familiarize self with C and C++
- Rajkunwar Kaura: Review and familiarize self with C and C++
- Riley England: upload logo for Team HL, review and familiarize self with C and C++
- Kemar Wilson: communicate with other project leader, review and familiarize self with C and C++
- Abdulahi Mohamed: communicate with other project leader, review and familiarize self with C and C++
